Dear Friends,

We pray that 2018 finds you and your loved ones happy and healthy, and that it has brought you God's Blessings!

AABA changed the format of its Membership program last year. This format allows you to participate in the good works of AABA in the manner YOU choose, and to the degree YOU desire. In other words, you design how you want to support AABA!

Instead of paying one set fee for "dues", we are asking that you find the niche that you wish to work in or support, and let us know how you would like to do that: whether financially or by volunteering your time and talent. Please read the enclosed descriptions of the programs of AABA, and indicate the areas that you wish to support.

We are looking to the future to build a stronger base for our remarkable organization—the first and only effort where all of our sister churches come together in unity for the good of our community.

Please consider how you can help AABA do the best it can for our people. Also, please fill in the comment section to let us know how we can better serve you and our community. If you have any questions or would like to talk with an AABA Board member please call the AABA office at 617.323.2722 #4.

AABA is for all ages and we have structured our programs accordingly. It is important that our heritage be preserved and carried forward for years to come.

Also, take a look at our website—www.aabausa.org. It is fresh, bright, easy to navigate and informative! There is also a link to PayPal for your donations!

We hope to hear back from you as soon as possible. Thank you for your on-going support.
